Current Responsibility

Megan Gray is a consulting actuary in the Houston office of Milliman. Megan practices in the employee benefits field assisting clients with funding and financial reporting of their retirement plans.

Professional Work Experience

Megan joined Milliman in 2008, and works on a variety of plans for large, mid-sized, and small clients. Her experience includes the following:

- Actuarial valuations required for both funding and expense purposes for corporate and public pension plans
- Ongoing administration of plans, including preparing benefit certifications, filing annual returns with regulatory agencies, and reviewing plan amendments
- Cost projections to evaluate future business conditions and their impacts on benefit programs
- Special projects and de-risking strategies, including lump-sum projects and plan terminations
- Nondiscrimination testing for defined benefit and OPEB plans

Professional Designations

- Enrolled Actuary under ERISA
- Member, American Academy of Actuaries

Education

BS, Mathematics, Grove City College; minor in Business
