Current Responsibility

Katherine Wang is an associate actuary with the Life Insurance Consulting Practice of the Seattle office of Milliman. She joined the firm in 2017.

Professional Work Experience

Since joining Milliman, Katherine has worked primarily with fixed, indexed, and immediate annuities, including financial reporting and mergers and acquisitions.

She assisted with setting assumptions used in actuarial valuation models.

Most recently, Katherine finished a long period of secondment with one of the largest annuity writers, working with model development, Stat and GAAP teams to onboard new deals and products and implement model changes.

She is also leading the efforts of Milliman ESG marketing in the US market.

In addition, Katherine manages Milliman's charitable gift annuity valuation program. She works closely with numerous charities to provide actuarial support.
