

## Freek Zandbergen

MSC  
Consultant

---

### CURRENT RESPONSIBILITY

Freek Zandbergen is a consultant in the Amsterdam office of Milliman. He joined Milliman in 2020. Prior joining Milliman, Freek worked at Dutch insurance companies Aegon, and NN Group for over ten years.

### EXPERIENCE

Freek has worked in the financial industry for more than 10 years. In his career, he was employed in different finance and risk functions, both locally and on a group level, within Dutch insurance companies Aegon and NN Group.

In his roles, he has worked on Asset-Liability Management (ALM) managing interest rate, inflation, currency and liquidity risk; optimised balance sheets via Strategic Asset Allocations (SAA), reinsurance transactions and portfolio and capital restructuring; building and developing models for Economic Capital and Solvency II; illiquidity premium implementation for IFRS 17; implementing hedge strategies; and participating in different merger and acquisition projects (M&A).

### AFFILIATIONS

Freek is an active member of the Dutch CFA (former VBA) ALM committee.

### EDUCATION

Master of Science, Econometrics & Management Science, Erasmus Universiteit Rotterdam, Netherlands
