**Milliman appoints new Head of Technology Solutions in Asia**

HONG KONG – October 11 – Milliman, a premier global consulting and actuarial firm, today announced the appointment of Sherry Du as Director, Head of Technology Solutions, Greater Asia Life, based in Hong Kong. Sherry’s international actuarial experience spans over 25 years. Her most recent roles involved heading the innovation solutions arms at two leading reinsurance companies in Asia-Pacific. Prior to that, as a consultant, Sherry advised clients across a wide range of actuarial projects.

“Sherry is a highly regarded senior actuary, business leader and innovation pioneer” said Michael Daly, Principal & Consulting Actuary at Milliman. “With developments in technology continuing to transform the value chain in the insurance industry in Asia, we are delighted to welcome Sherry on board to strengthen the consulting support we can provide to our clients.”

**About Milliman**

Milliman leverages deep expertise, actuarial rigor, and advanced technology to develop solutions for a world at risk. We help clients in the public and private sectors navigate urgent, complex challenges—from extreme weather and market volatility to financial insecurity and rising health costs—so they can meet their business, financial, and social objectives. Our solutions encompass insurance, financial services, healthcare, life sciences, and employee benefits. Founded in 1947, Milliman is an independent firm with offices in major cities around the globe. Visit us at [milliman.com](http://milliman.com).
